## Summary

Second-year student at TalTech specialising in Computer Systems Engineering.

Currently looking for career opportunities mainly as a web/software developer, but would also like to work as an intern in any tech related company to leverage my skills and improve my knowledge.

Feel free to get in touch with me. I am always open to discussing new projects, creative ideas or job opportunities.

## Experience

### Founding Board Member

Romeo Tango OÜ

Sep 2019 - Present (1 year 7 months +)

DJ & event organizing services

### Back Office Agent

International Personal Finance Plc

Jun 2019 - Sep 2020 (1 year 4 months)

I was part of a Fenno-Baltic Back Office team, where I was responsible for ensuring that our clients had a seamless, speedy and high-quality experience during the loaning process, which meant that I processed all customer related tasks that span the full customer journey, ranging from processing payments, handling customer verification tasks, keeping the database up to date, executing data analysis and undertaking administrative activities, such as investigative activities around payments, verifications and customer background checks.

### Logistics Sergeant

Estonian Defense Forces

Jul 2018 - Jun 2019 (1 year)

Lead a group of 15 soldiers and was responsible for the logistics, management and transportation of heavy artillery munitions and military gear.

## Education
