Summary

Second-year student at TalTech specialising in Computer Systems Engineering.

Currently looking for career opportunities mainly as a web/software developer, but would also like to work as an intern in any tech related company to leverage my skills and improve my knowledge.

Feel free to get in touch with me. I am always open to discussing new projects, creative ideas or job opportunities.

Experience

Freelance Web Developer
Freelance (Self employed)
Jan 2021 - Present (5 months +)
Working full-time as a freelance Wordpress Developer & specialising in e-commerce.
